

Blue Knights®

Blue Knights Sweden I

Invites you to blue knights International meeting in Visingsö the 27 - 29 July 2012.

Visingsö is a Kings and winds island. Visingsö is a large island in the lake Vättern, about 14 km long and about 3 km wide. The islands consist of the largest and oldest oak forest in Sweden.

The car ferry to visingsö goes from Gränna harbour. Crossing to visingsö takes about 25 minutes. (www.visingso.net) the ferries run every 30 minutes.

We live on Wisingsö Hotel & conference (www.wisingso.se) in double room. There are also a number of single rooms. We also have access to outdoor swimming pool, boules, etc.

There is also horse transport called "remmalag", an old tradition that comes from Russia. This transport is recommended.

Gränna is located about 40 km from Jönköping, Europa road E4.
